NEWS RELEASE

GLOBAL HUNTER SCHEDULES ANNUAL GENERAL AND SPECIAL MEETING

Vancouver, B.C. – September 23, 2011- Global Hunter Corp. (the “Company”) has scheduled its 2011 annual general and special meeting for October 19, 2011. At the meeting, in addition to appointing auditors and electing directors, the shareholders of the Company will be asked to approve a consolidation of the Company’s share capital on a 20:1 basis. The consolidation ratio may be decreased at the discretion of the directors. The Company does not propose to change its name, but may be required to do so if stipulated by the TSX Venture Exchange as a condition of accepting the consolidation.

The Company currently has an aggregate of 265,261,137 common shares outstanding. After giving effect to a 20:1 consolidation, it expects to have approximately 13,263,056 shares outstanding. Management believes that the share consolidation is necessary to provide the Company with a capital structure that will facilitate equity and/or debt financing. The Company’s management has recommended the restructuring following consultation with financial advisors. The proposed share consolidation is expected to increase the market price of the Company’s common shares on a per share basis by reducing the number of common shares outstanding. However, no assurance can be given as to the effect of the consolidation on the value of the Company’s common shares.

Completion of the share consolidation is subject to shareholder approval and acceptance by the TSX Venture Exchange. A management information circular in connection with the meeting will be mailed to the shareholders shortly.

On behalf of the Board of Directors,

Rudy Brauer
